

# Arizona Congressional District 3 Communities Benefit From LSTA Funds

Federal funds administered by the Institute of Museum and Library Services provide access to electronic resources and literacy programs for all Arizona citizens. In addition, funds are distributed to community libraries through competitive subgrants. In 2016, CD 3 libraries used LSTA awards to:

- Expand digital literacy to children throughout Yuma County.
- Provide opportunities for Pima County teens and adults to work collaboratively and acquire workforce skills and credentials.
- Enhance library services in the Patagonia area for individuals with visual and physical limitations.
